welcome!

Thank you so much for choosing me for your milestone! Photos are soooo important to me! They capture memories. Photography freezes that little slice of time! I absolutely love true, genuine emotion in photos. We will start off the session with the normal, boring posing... then comes my favorite part of relaxing, laughing, and you or your child just being your/his/herself.

- expect a prep guide

during:

hello, I am Alicia...

It is an honor you are here! I absolutely love, love, love photography! That is me and my family in the photo above. I have been a photography hobbyist since childhood. My husband gifted me a class in 2016 and I've been working hard ever since. It is so much fun to capture life's moments.

I want you to have an amazing experience during this session. Do not stress! The plan is to have fun and take beautiful photos along the way. I cannot wait to work with you and document your milestone, personality and story!
