welcome!

Thank you so much for choosing me for your senior portraits! Photos are soooo important to me! They capture memories and freeze this little slice of time! My goal is to photograph true, genuine emotion. To capture YOU. Locations, outfits, props, etc. will all be individualized. Your photos shouldn't look like anyone else's. We will start off the session with the normal, boring posing... then comes my favorite part of relaxing, laughing, and your senior being him/herSELF.

what to expect

locations - I have a longgg list of locations I like to use, some secret, some private, some public. If you don't have a specific spot, do not worry! The questionnaire will help me help you! Additional charge for locations outside of Sandusky County, Ohio.

wardrobe - no limit, the amount of outfits is up to you! If you need help styling, just ask.

gallery - I never set a number, but you'll receive all the photos and you won't be disappointed.

posing - it's normal to feel shy or awkward, but this is part of my job. I will give you specific instructions and help you relax.

before:

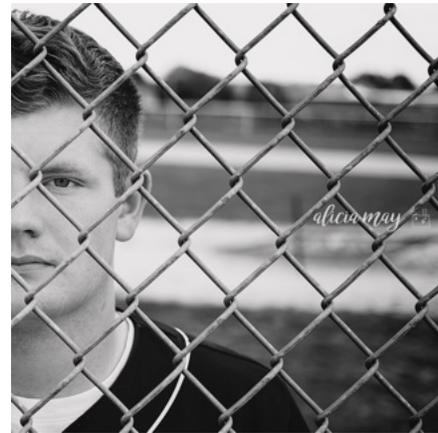

- schedule your session on Square Appointments
- complete contract
- return questionnaire
- expect prep guide

during:

- try to be on time
- relax and let me do my job!
- have fun!

after:

- sneak peek on social media within a few days!
- photos will be delivered digitally in a password protected personal online gallery within 2 weeks

hello, I am Alicia...

It is an honor you are here! I absolutely love, love, love photography! It is more than just a job. That is me and my family in the photo above. I have been a photography hobbyist since childhood. My husband gifted me a class in 2016 and I've been working hard ever since. It is so much fun to capture life's moments.

I want your senior to have an amazing experience during your session. Do not stress! The plan is to have fun and take beautiful photos along the way. I cannot wait to work with you and capture your senior's personality and story!
