hello, I am Alicia...

It is an honor you are here! I absolutely love, love, love photography! That is me and my family in the photos above, plus two bonus kiddos. I have been a photography hobbyist since childhood. My husband gifted me a class in 2016 and I've been working hard ever since. It is so much fun to capture life's moments. I want you to have the most amazing experience during your wedding day. Do not stress! The plan is to have fun and take beautiful photos along the way. I cannot wait to work with you and capture your special day and story.

Locations outside of Sandusky County will require additional fees.

Portrait sessions will be shared on social media and my website.
