*welcome!*

Thank you so much for choosing me for your family portraits! Photos are soooo important to me! They capture memories. Children grow and change so much over the years. Photography freezes that little slice of time! I absolutely love true, genuine emotion in photos. We will start off the session with the normal, boring posing... then comes my favorite part of relaxing, playing, and being YOU.

...or let me invade your home for a lifestyle session. \$185 for 30 minutes capturing your family's everyday life. Children can be more relaxed in their own space. It's fun and candid. You know, real life.

## hello, I am Alicia...

It is an honor you are here! I absolutely love, love, love photography! That is me and my family in the photo above. I have been a photography hobbyist since childhood. My husband gifted me a class in 2016 and I've been working hard ever since. It is so much fun to capture life's moments.

I want your family to have an amazing experience during this session. Do not stress! The plan is to have fun and take beautiful photos along the way. I cannot wait to work with you and capture your family's story!
